NOTICE TO ALL CIPRO CUSTOMERS

ANNUAL RETURN NON COMPLIANCE ON COMPANIES AND CLOSE CORPORATIONS

As part of CIPRO's efforts to clean up its data base, non compliant companies and close corporations were referred for final deregistration on 16 July 2010. The next batch of companies and close corporations that has not complied with annual returns will be placed in deregistration during September 2010 and will be finally deregistered approximately 6 weeks after referral.

Therefore, kindly confirm if all annual returns are up to date in order to avoid being "final deregistered". Non compliant companies and close corporations which have been placed in deregistration for annual return compliance may lodge its outstanding annual returns while in deregistration. Once all annual returns have been brought up to date, the status of the company or close corporation will be changed to "in business" automatically.

The number and years of outstanding annual returns can be confirmed by using the "Enterprise Search" functionality on CIPRO's webpage.

Thank you for your co-operation.
