NOTICE

WAIVER FOR COMPANIES ANNUAL RETURNS

Dear Valued Customers,

As per previous notification, CIPRO is experiencing external problems with two Telkom lines that have been offline since 26 September 2008.

Due to this problem a manual extension will be granted for companies whose annual returns were due August/September 2008.

Penalty fees for annual returns for companies due August/September 2008 that has been lodged between 1 October and 7 October 2008 will be manually reversed upon application. Please e-mail the company name, company registration number and full customer details to TRabilall@cipro.gov.za in order to evaluate and attend to the reversal. It should be noted that annual returns that were already late before September 2008 will not be reversed.

Sincerely,

Dr. M Twum-Darko
The Acting Chief Executive Officer
(30 September 2008)
