CHANGE IN E-LODGEMENT WITH DEFERRED PAYMENT

Dear Customers,

Please note that the e-lodgement of CK7, CK1 and CM5 has changed. In future, immediate payment is not required. After information of CK7, CK1 and CM5 has been lodged and saved, clients need to make payment, either electronically or at the bank or the South African Post Office. The prepaid principle will still apply where you, the customer, must ensure that payment is made prior to processing.

No processing will take place without confirmed payment.

Should payment and documentation not be received within 60 days, your transaction will be terminated. Therefore you will have to re-apply.
