

NOTICE: PROVIDING CORRECT REFERENCE NUMBER FOR COMPLETION OF DIRECT DEPOSIT SLIP

Notice is hereby given to all CIPRO customers to pay careful attention when completing a deposit slip for payment to CIPRO.

You must furnish a deposit reference number on the deposit slip when making a deposit. The first six characters are your customer code assigned to you by the CIPRO registration official or relevant CIPRO partner *official. If your code is less than six characters, supplement the remaining characters with zeros so that the total is six characters. The next eight characters is the same date ON which you make the deposit in the format DDMMCCYY01.

Providing the correct reference number (customer code), will enable CIPRO to accurately allocate the deposit to your virtual account.

Sincerely,

Mr. Lungile Dukwana

Acting Chief Executive Officer
